Resurrection – Andy Stanley

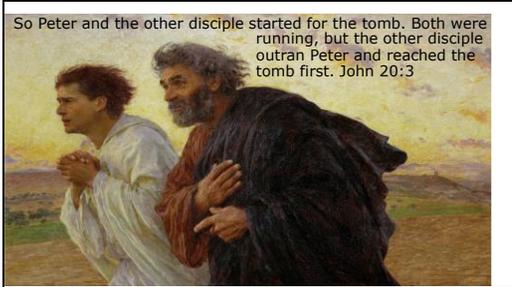

Stand up

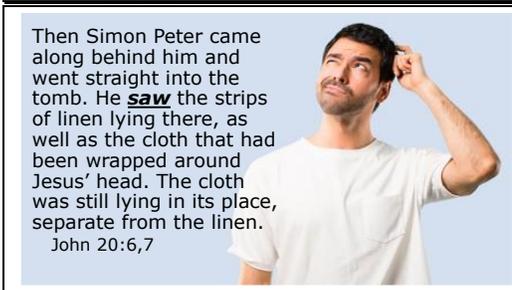

He is **not here**; he **has risen**, just as **he said**. **Come and see** the place where he lay.  
**not here** – he was here, no more  
**has risen** – already happened, this is news  
**he said** – this was so important that Jesus predicted it over and over again

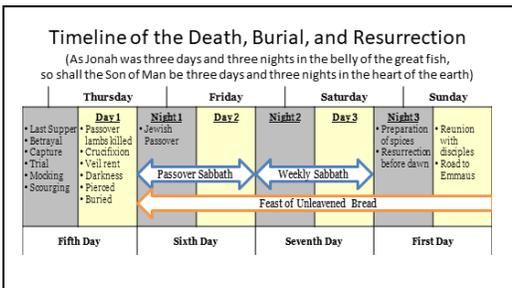

**Come and see** – not an emotional feeling, not a hope-filled longing, not a spiritualized higher truth  
 Aslan is killed in The Lion, The Witch, and The Wardrobe  
 It's more than just fantasy, it's reality.

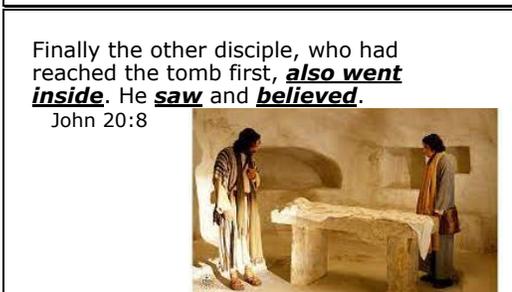

So Peter and the other disciple started for the tomb. Both were running, but the other disciple outran Peter and reached the tomb first. He bent over and **looked in** at the strips of linen lying there but did not go in.  
**Looked in** – John gets there first and sees, takes it all in

Then Simon Peter came along behind him and went straight into the tomb. He **saw** the strips of linen lying there, as well as the cloth that had been wrapped around Jesus' head. The cloth was still lying in its place, separate from the linen.  
**Saw** – Peter just busts right in with no thought. But sees and tries to think about what was the meaning of it all?  
 Theories?

Peter starts thinking back over everything they had recently lived through  
 Notice that it doesn't say that Peter believed.

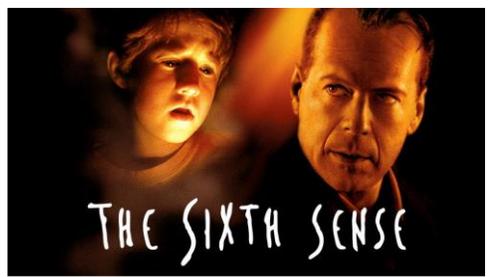

Finally the other disciple, who had reached the tomb first, also went inside. He saw and believed.  
 also went inside – didn't go right in. Dan and Eddie.  
 saw – more than just physical sight, but in his mind believed – was persuaded, confidence

After his suffering, he presented himself to them and gave **many convincing proofs** that he was alive. He appeared to them over a period of forty days and spoke about the kingdom of God.  
• Acts 1:3

After his suffering, he presented himself to them and gave many convincing proofs that he was alive. He appeared to them over a period of forty days and spoke about the kingdom of God. many convincing proofs – signposts, unmistakable, fixed and sure. Christ’s speaking, walking and eating with His disciples on several occasions after His resurrection, and giving to Thomas and the rest the clearest demonstration that He was with them in the same real body as before His death, and not in appearance only

You can only watch the Sixth Sense 2 times. The first time you think you know what’s going on, but then there the big secret is revealed, and everything changes.

The resurrection is not to make us feel comfortable. Just the opposite – it’s to shatter our world Surprise us, break into our hard hearts and minds. Like this scene from Jesus of Nazareth.

The resurrection rocks their world. Does it still rock ours?

New direction, new energy, new focus, new focus  
Totally alter our lives  
Make us feel uncomfortable

Now it begins!

Experiences with Experiences: A Day When Celebrations Over Small Groups  
One of the most frequent things we do, scheduling and working with calendars, is one of the most frustrating things we do. It's not just the calendar itself, but the fact that we have to do it. It's not just the calendar itself, but the fact that we have to do it. It's not just the calendar itself, but the fact that we have to do it.
