Responding With Love Online

 Guest Blogger  April 21, 2022  Apologetics

Reading Time: 5 minutes

Anger and offense are big problems in the world today — sadly, even among Christians. I can find myself getting easily irritated by this world, even though I know Christ asks me to live with patience and kindness. *Do you often find yourself easily irritated, too?*

When we're angry, how quickly do we go on the attack? Is this how God wants us to respond to one another? No. There's a better way. *His way.*

Responding like Jesus should be our daily intention.
