• Job 28:28

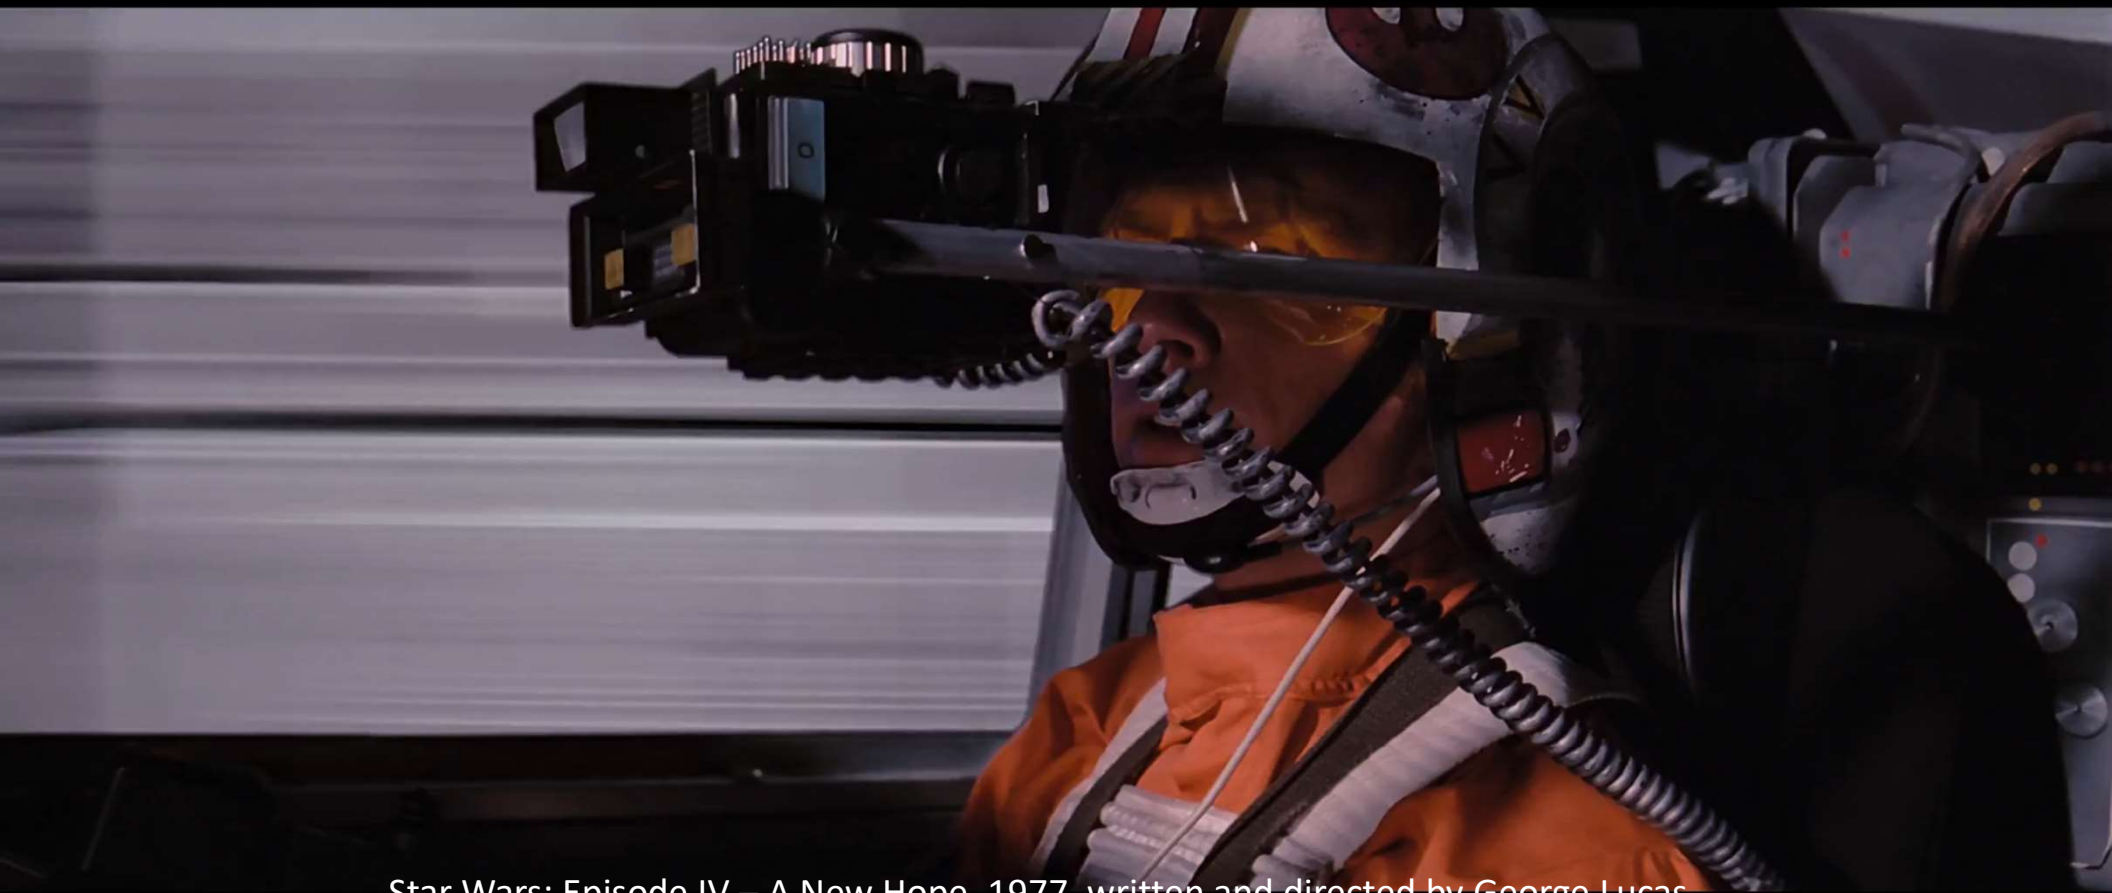

**Why is
fear of
the Lord
scary?**

Lose control

Star Wars: Episode IV – A New Hope, 1977, written and directed by George Lucas
Produced by Lucasfilm, distributed by 20th Century Fox.

Here's what fear of
the Lord is – give up
on yourself and you
will find your real
self. Lose your life
and you will save it.

SURRENDER

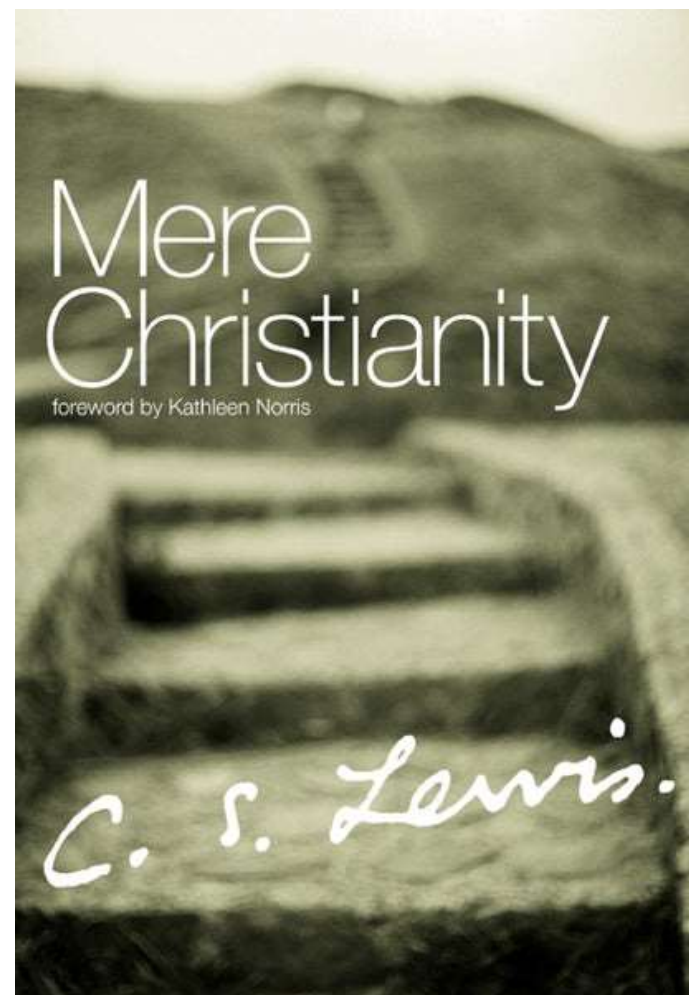

Submit to death, death of
your ambitions and favorite
wishes every day and
death of your whole body
in the end: submit with
every fiber of your being,
and you will find eternal
life.

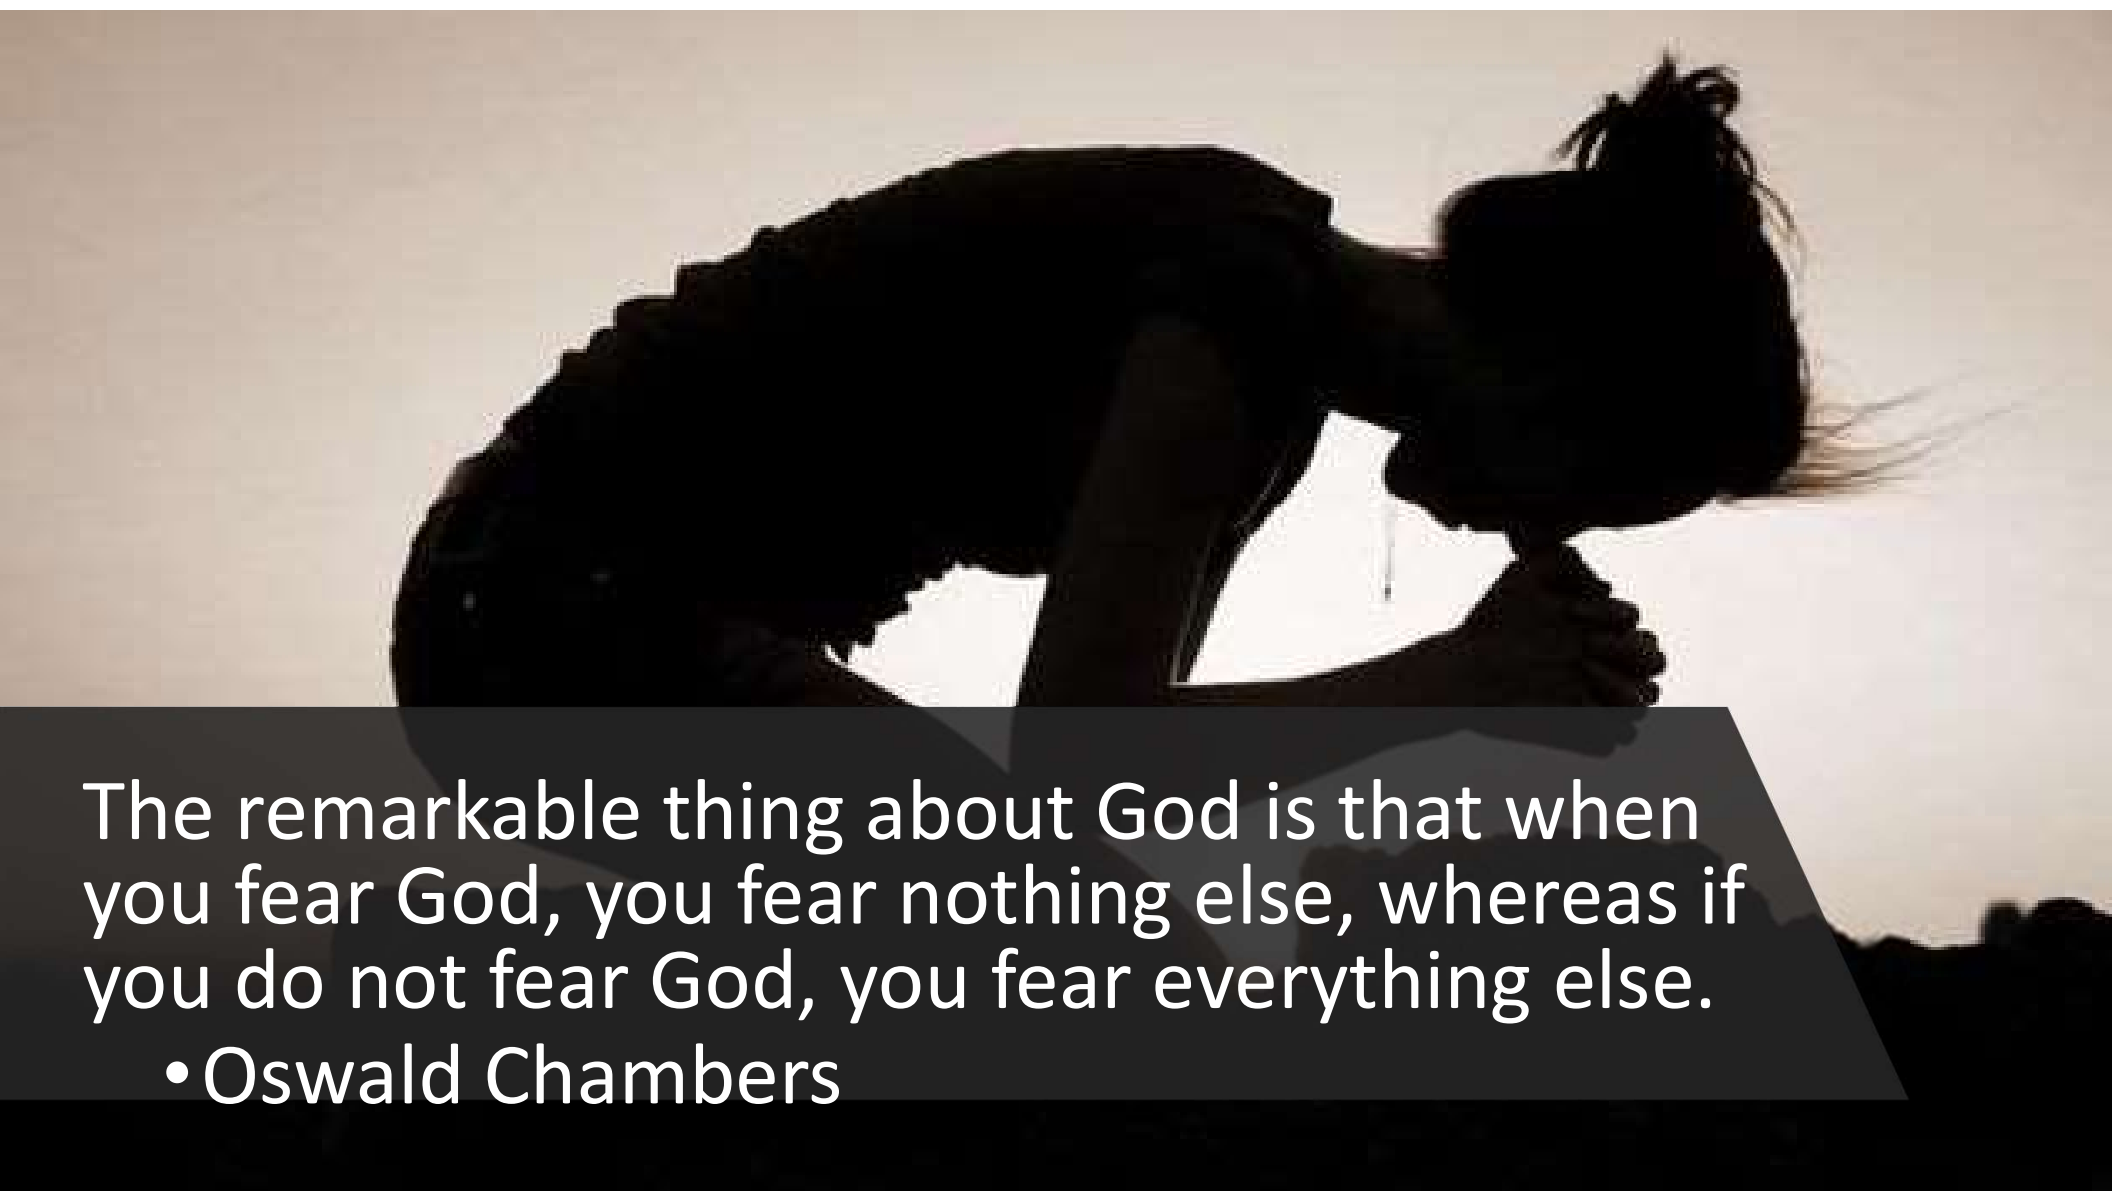

Keep back nothing.
Nothing that you
have not given
away will be really
yours. Nothing in
you that has not
died will ever be
raised from the
dead.

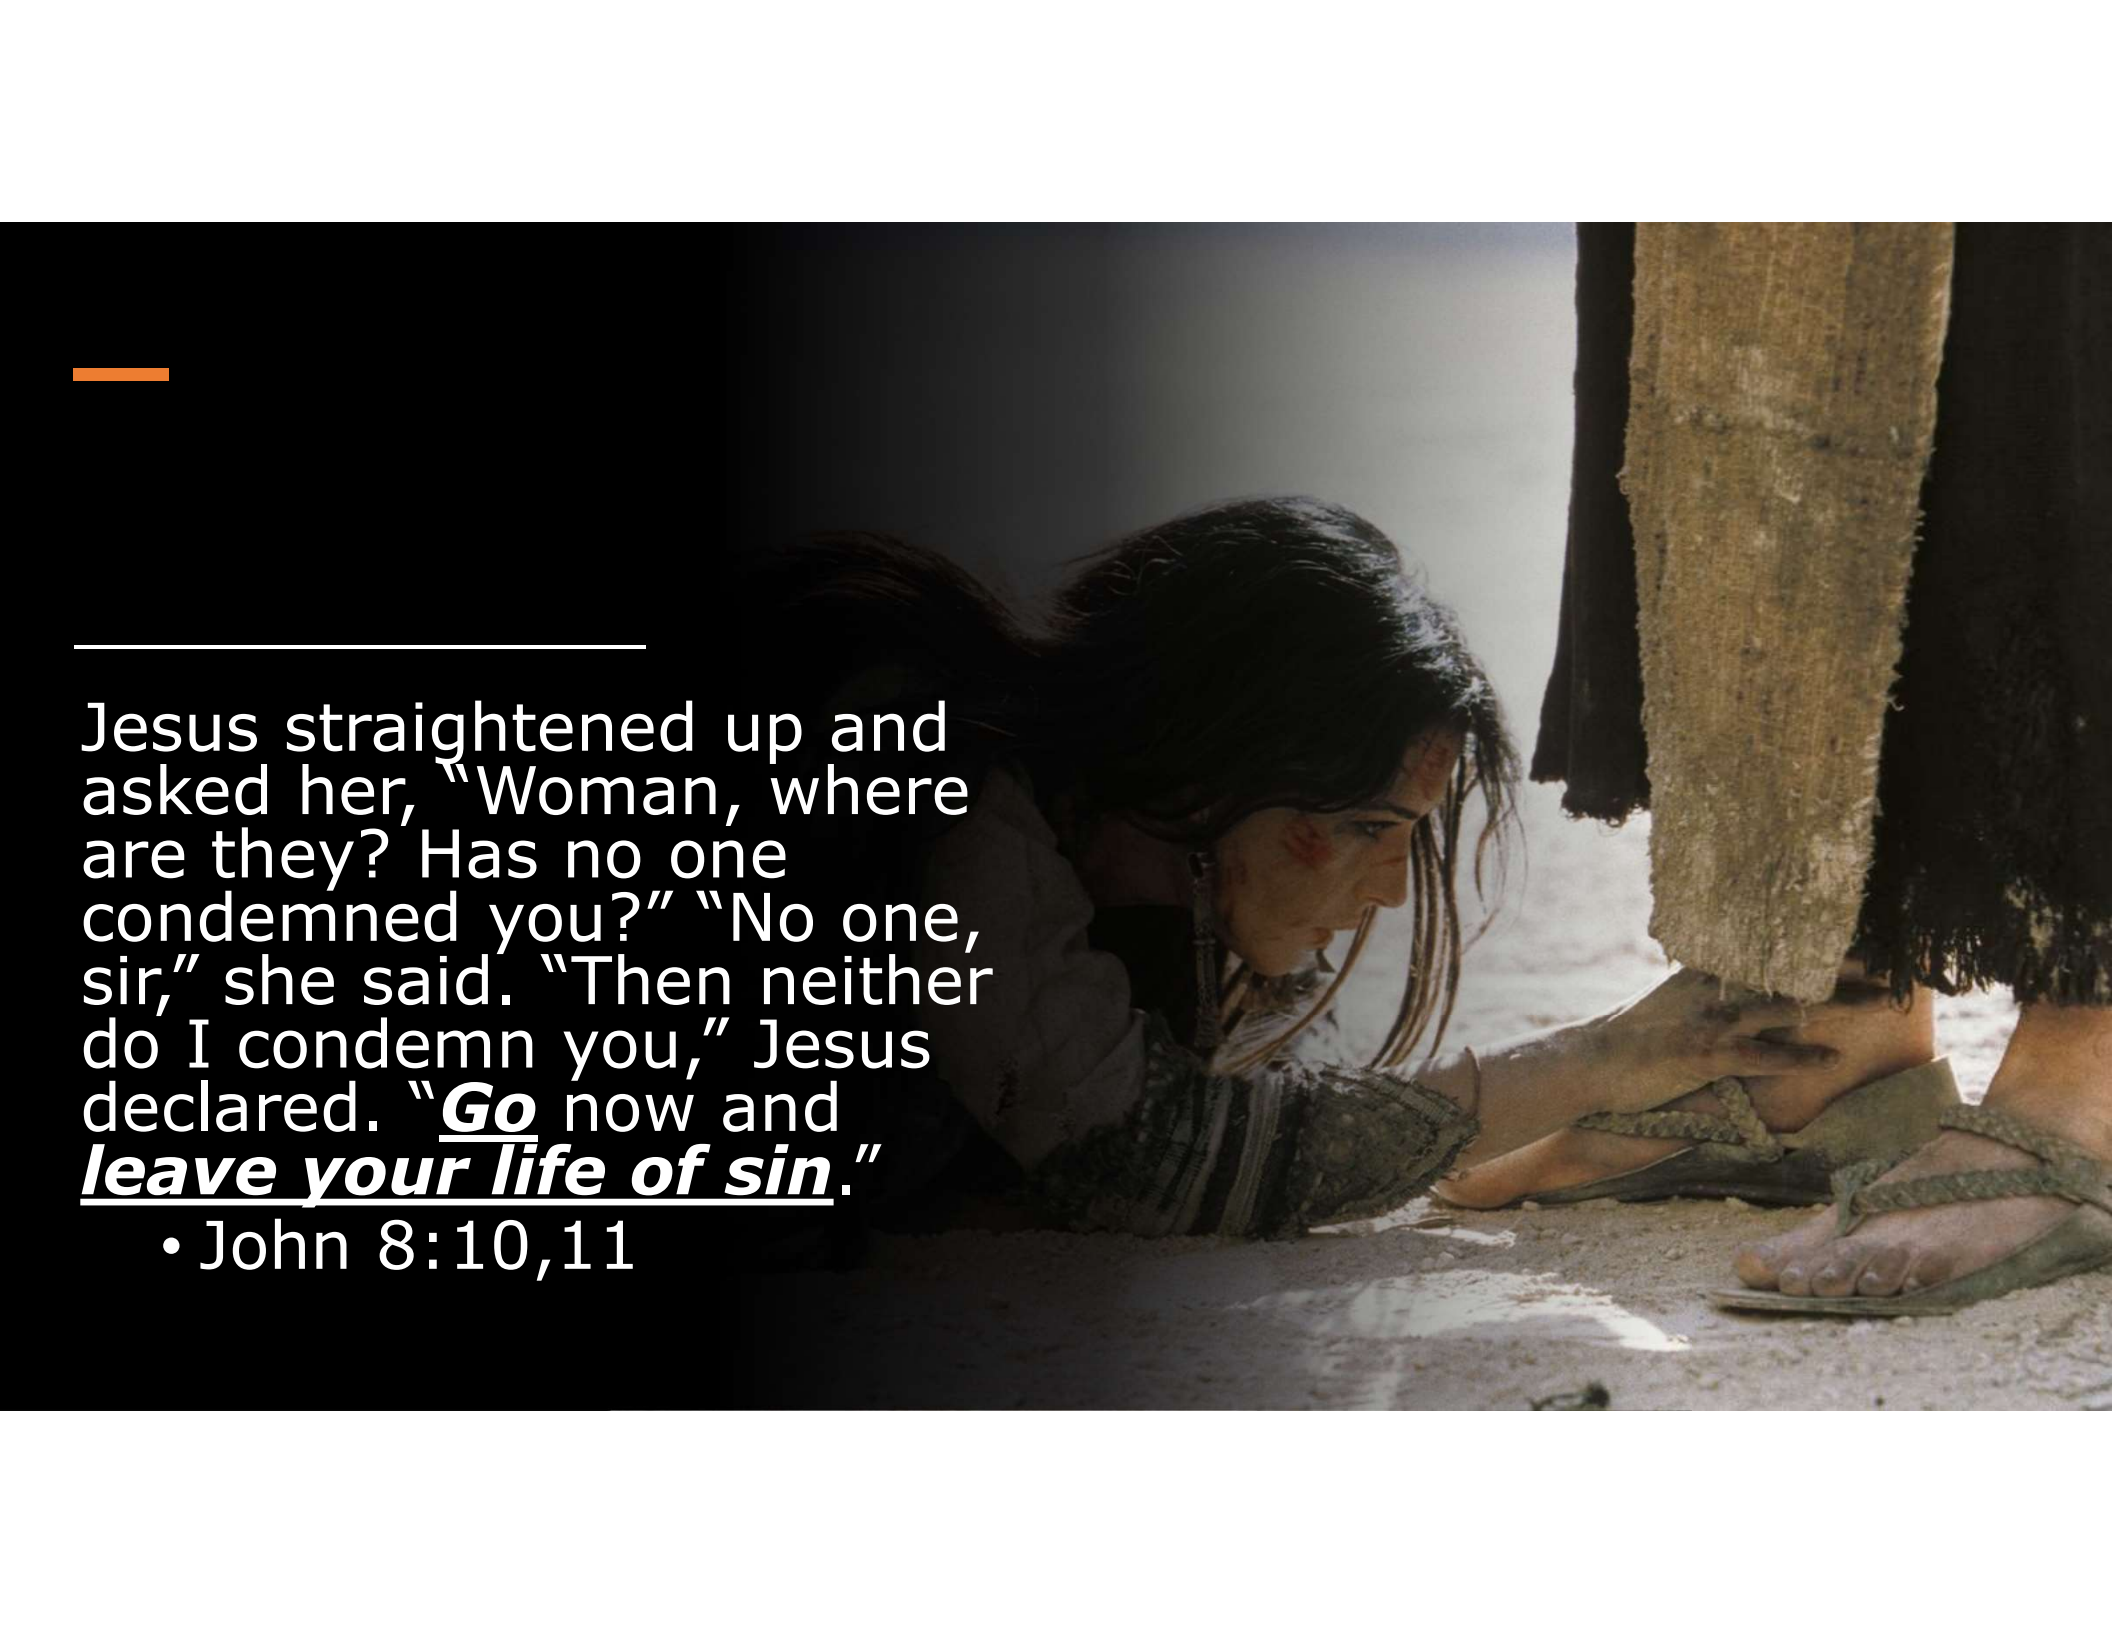

Look for yourself, and you will find in the long run only hatred, loneliness, despair, rage, ruin, and decay. But look for Christ, and you will find Him, and with Him everything else thrown in.

The remarkable thing about God is that when you fear God, you fear nothing else, whereas if you do not fear God, you fear everything else.

- Oswald Chambers

A woman with long dark hair, wearing a patterned robe, is kneeling on the ground and washing the foot of a person whose legs and feet are visible. The person's feet are wearing sandals. The background is dark and out of focus.

Jesus straightened up and asked her, "Woman, where are they? Has no one condemned you?" "No one, sir," she said. "Then neither do I condemn you," Jesus declared. "**Go** now and **leave your life of sin.**"

• John 8:10,11

God doesn't use us
in the lives of other
people because we
do some things, but
rather because he's
doing something in
us, and we are
becoming somebody.
